INTRODUCING RAINIER FOR PAGES 7

By KeynotePro

THE NEWSPRINT & BROADCAST-INSPIRED RAINIER THEME IS NOW AVAILABLE FOR PAGES 7. FEATURING MODERN TYPE & A UNIQUE HIERARCHICAL STYLE, RAINIER MAKES AN UNFORGETTABLE SOLID IMPRESSION.

The Rainier templates for Pages, like their Keynote counterparts, were designed to be uniquely striking without sacrificing clarity or ease of use. Simple shape-based color accents cap a distinctive multi-tier, phased hierarchy set against a classically-informed editorial grid designed to maximize clarity and minimize distraction.

The balance of restrained color & sturdy, modern type thrust your

photos and textual content to center stage while maintaining unity, order, and cohesiveness throughout your entire document.

Rainier for Pages includes a full suite of up to fifteen complete templates (Pro Edition) - from the basics of Letterhead, Memo and Envelope templates to Posters, Brochures and the magazine-inspired Newsletter - giving you a wide range of document types and layout

options to choose from, whether you're preparing an Agenda for the weekly meeting or assembling next season's Quarterly Report.

Running and Supporting Headers are integrated directly into the Black & Blue hierarchal accents, making it easy to add organizational cues to your narrative arcs. And the entire Rainier framework is optimized for everything the modern Pages architecture offers.
